Dear Riders

Many thanks to all of you for taking part in the 2015 Stockbridge Down Road Race. It certainly was a hard fought race for everyone, no matter where you finished, so well done to all of you and thank you for supporting the event!

Congratulations to Ryan Perry on a fine solo win by over 2 minutes, after being in the lead group for the whole race! Certainly well-deserved on what is a very unrelenting course. Congratulations to all the other prize winners too, along with everyone that finished!

A very big thank you goes out to our main sponsors - Jamie Shearer of '**Jamie Shearer Roofing**', Dave Sloan of '**Harpoint Builders**' and Ian Knight of '**KFS Special Vehicles**' whose support was essential in making the event as successful and safe as it was this year. Also, a big thank you to '**Abbotts Ann Cycles**' who provided vehicle support for the race signage and race service.

The race was again run using British Cycling 'Accredited Marshals' which helped to secure safe race conditions, so a very big thank you to all my event marshals. Thanks also to the Race Commissaires, NEG Outriders, Judges, Race Service, Paramedic Cover and everyone else who helped to run the event. A great job done I'm sure you will all agree.

Hopefully we will see all of you again in next year's race!
